

Legal Aid And Social Development Educational Society

Online Summer Internship Program – 2020

About the Organization - LASD Educational Society (NGO) is a recent development of 10 practicing lawyers with the aim to legally empower citizens of the State of Uttar Pradesh and contributing towards our social and moral responsibility.

About the Internship - Our internship program focuses on the core objective of the organization; that being to educate and guide the students in building a career in the field of law. By means of the present online internship program we aim at helping the law students in improving their academic knowledge and strengthen their curriculum vitae. Our basic focus is to provide an insight to our interns into writing research papers, articles, case analysis and drafting memorials in moot courts which would enhance their legal knowledge and would reflect strongly upon their curriculum vitae. The student participant has to submit an internship report at the end of the internship period; after assessment of which an appreciation certificate is granted.
