C H A P T E R I I

6-9 FEBRUARY, 2020

An aerial photograph of a road with a median and trees, running parallel to a large body of water. The road has several cars and a motorcycle. The water is dark and calm. The sky is dark and clear.

ABOUT US

MPzero4 is back-bigger, better, bolder. You showed us a lot of love last year for our first edition, and we welcome you back, old friends and new, to the city of lakes for round two.

The sheher of nawabs, nestled in a lush green cocoon, is sure to steal your heart with its quaint vibe, and it'll leave you wanting more than just a touch of its rich culture. Bhopal brings to you the best of Central India, all rolled into one city!
