ABOUT MUNZIL

This May the Rotaract Club of the Indian School of Management and Entrepreneurship (RCISME) will be creating history by hosting a grand Model United Nations Conference - MUNzil. Not only will this bring together inspiring delegates aged 16 - 30 to debate some of the world's most pressing issues but also, will empower the youth to take their first step into the world and reach their own 'manzils'. Our aim is to provide an experience where they master the art of public speaking, research, leadership, and networking.
