GOVERNMENT LAW COLLEGE MODEL UNITED NATIONS 2022

JULY 16-17,2022

A GLCMUNSOC INITIATIVE

Message from Secretary General

Delegates and Faculty Advisors,

It gives me immense pleasure to invite you to the twelfth edition of GLCMUN to be held from July 16-17, 2022. GLCMUN is the embodiment of great diplomatic and rational minds. MUNs are a compilation of politically astute youth who learn through voicing their exclusive thought processing global concerns. The conference aims at instigating young minds to think beyond issues that plague the world harmony and to look for solutions that disturb humanity altogether. It is an opportunity to gain knowledge through peaceful negotiations and collective decision making. After immensely successful past editions, I, along with an extremely passionate Secretariat, am delighted to bring forth the legacy that we are trying to imbibe in GLCMUN. We are excited to present six distinct committees, all of which will test delegate's abilities to address and expand their global-view. Our vision is to create a platform for the future leaders of the world to grace and shine upon! We at GLCMUN very firmly believe that the MUN Conferences are not just an exploration of world-views but also a platform to formulate one's perception and ideology.

We hope to witness your institution's active participation in the two-day event. Please find all the necessary details regarding the event along with the link for Delegation Registration form enclosed within.

Best Regards
Anushka Chaturvedi
Secretary General
